FOREWORD

When we present this issue of the Handbook to you, we feel proud that you have selected Indiana as your school — proud that Indiana will have the privilege of serving you — proud that this little book will be with you at all times, to answer the many questions which will confront you. By doing this, it has served its purpose.

Take this Handbook and go through it page by page. You will find it full of valuable information. Facts concerning college activities and organizations, athletics, scheduled activities, songs and cheers, and general information are only part of the questions you will find answered in these pages.

We urge you to become interested in one or more extra-curricular activities of the College. There are many organizations on the Campus which will develop you socially, mentally, and morally. By becoming affiliated with these organizations, you will be better qualified to enter the teaching profession.

Be friendly. It costs so little and is worth so much. Remember that "the only way to have a friend is to be one."

Please remember that students come and go, but "the College goes on forever." Each one of us is just a cog in this great collegiate wheel. Let each one do his part to make this great institution even greater than before.

Remember, "IT'S IN THE HANDBOOK."

DEDICATION

THIS LITTLE HANDBOOK IS RESPECTFULLY DEDICATED TO THE HEROIC YOUTH OF OUR COUNTRY, WHO AT THE CALL OF DUTY DO NOT HESITATE TO OFFER THEIR LIVES FOR FREEDOM AND THE FLAG.

GREETINGS

It gives me pleasure to extend greetings to the new students entering the college this fall. You will find Indiana a friendly college, ready to contribute to your welfare and happiness. However, no institution can give you success. You must earn it by the contribution of your own time and effort. I know you came to Indiana for that very purpose and that during the next four years through your efforts and our aid you will be preparing yourselves to be successful teachers. You have chosen well in the selection of the teaching profession. At no time in the history of our country have we been in greater need of well prepared teachers. The opportunity to educate boys and girls to live in a Democracy and to help perpetuate that Democracy is a satisfaction which no profession realizes to a greater degree than the teaching profession. Our influence in this respect is great and for that reason ours is a responsibility which we dare not shirk.

My wish for you is four happy and profitable years at Indiana with a culmination of a fund of knowledge, habits, attitudes, and skills which will make you successful teachers and esteemed citizens.

Sincerely,

J. M. Uhler

Acting President

HISTORY

In the legislative session of 1871 a bill was introduced and passed by the General Assembly, in conformity to the Normal School Act of 1857, permitting the establishment of a State Normal School in the ninth Normal School District, and Indiana was decided upon as the site. The original building was completed and first opened for students on May 17, 1875. This building, named John Sutton Hall in honor of the first president of the Board of Trustees, is still in use and is in excellent condition. The steady growth of the school has caused a continuous expansion in its building program.

In April, 1920, the entire control and ownership of the school passed to the Commonwealth of Pennsylvania. In May, 1927, by authority of the General Assembly, the school became a college with the right to grant degrees, and the name was changed to the State Teachers College at Indiana, Pennsylvania.

ALUMNI ASSOCIATION

Since its organization the school has graduated over eleven thousand students from its various curricula. Approximately twenty-two hundred degrees have been granted since Indiana was made a college in 1927. The support of these alumni is an important factor in the consistent growth of the College.

Alumni Associations are functioning in all

parts of the country and they are definitely making valuable contributions to the college.

Through their efforts an organ will be installed in the College Auditorium at an early date.

Alumni Day and Homecoming are celebrated by class reunions and festivities in general. The President, Board of Trustees, Faculty, and students welcome the return of Alumni.

One hour each week has been definitely set aside for group advisory meetings and individual conferences. Advisors will assist the student in interpreting tests and other data and guide him to specialists in the several fields.

Every upper class student has an advisor from the field of his major interest who assists him in programming and advises him in personal, social, scholastic, and other matters.

CONVOCATIONS

College Convocations are held weekly in the College Auditorium on Tuesday at 10:00 a.m. Students are urged to watch the daily bulletin and the INDIANA PENN for announcements about these.

To be well informed and to develop the co-operative attitude of a promising prospective teacher, it is desirable to make regular attendance a habit. While much outstanding entertainment is provided in assembly, its primary purpose is to reflect classroom activity and to supplement the work done in class

by opportunities for developing sound appreciation of art, music, dramatics, and a fundamental knowledge of all the approaches to learning possessed by cultured people. Student participation in assemblies is encouraged. Regular attendance at class and assembly makes for scholarship and successful living.

Please Remember

(1) Students should not carry on communication nor use text books during assembly.

(2) The speaker shall always be given the courteous attention of the student body during the assembly.

COLLEGE VESPER SERVICES

The Vesper Services offer an opportunity for the students to gather for a period of non-sectarian religious worship.

The services are conducted Sunday evenings after Tea by campus groups and outside speakers. Religious questions are discussed from the viewpoints of the different groups.

These services have become an integral part of the religious life of every student.

Services begin at 6:15 p. m. Dorothy Murdock is chairman of the Vesper Committee.

tificate in the appropriate field. The following curricula are offered:

CULTURAL LIFE PROGRAM

During the year the finest types of entertainments are provided for the students. Each semester there are brought to the campus distinguished lecturers and artists of the highest rank in music, drama, and the dance. These entertainments are available to the students at a small cost which is covered by the Student Activity Fee. Your "I" card admits you to

these entertainments. Lawrence C. Davis is chairman of the Cultural Life Program.

FIRE DRILL

A fire drill is observed one day each month by all college personnel. This is required by state regulations. Fire drill directions are posted in each hall of the college buildings. Students are expected to act promptly according to directions. Students should become acquainted with the proper exit from any location in the buildings on the campus.

Dormitory students please note regulations for Resident Women on page 79.

George P. Miller is College Fire Marshall.

AIR RAID ALARM

The signal for an Air Raid Alarm, known as the "Alert" signal, will be the intermittent ringing of the class bells. The bells will ring for 15 seconds, pause for 5 seconds, ring for 15 seconds, pause for 5 seconds, etc., for approximately 5 minutes "All Clear" signal will be the continuous ringing of class bells for 2 minutes.

Upon hearing the "Alert" signal the warden or instructor will immediately organize the class and proceed to the nearest Air Raid Shelter. WALK, do not run. Certain students have been assigned to specific duties or posts and will be excused immediately. These include Fire Watchers, Auxiliary Firemen, First Aiders, etc.

The following rules are to apply to the various buildings located on the campus:

JOHN SUTTON HALL

Students on all four floors should leave rooms, close doors, and go to main corridor on the floor. Corridors must have a clearance near each exit of at least thirty (30) feet. This clearance regulation shall apply to each corridor used as a shelter. It is advisable that heavy coats be worn to the shelter. Kitchen and dining room employees should go to the basement of John Sutton Hall, south side of the building.

CLARK HALL

Third floor occupants should move to the second floor corridor and remain there. All students occupying second floor remain in the corridor. All students occupying first floor remain in the corridor. Employees in the basement must move to the east end of the basement corridor.

LEONARD HALL

It is to be noted by the Air Raid Warden that this building has a cone roof and contains the chemistry department where explosives are stored. First floor classes should go to the basement; second floor classes should move to first floor.

WILSON HALL

Students must leave second floor and gather in the first floor corridor.

MUSIC DEPARTMENT

This department must be vacated entirely owing to the amount of glass in the two skylights. Music students should walk down steps

and remain in first floor corridor, South Hall, John Sutton Hall.

ARTS BUILDING

The third floor must be cleared and students confined in the corridor on the second floor. Students on second and first floors should remain in their respective corridors.

LABORATORY SCHOOL

All persons should be confined to the first floor corridor, keeping in mind the exit clearance. Parents should be notified as soon as possible concerning the safety of their children.

AUDITORIUM

All persons in this building must remain during an air raid. It is of the utmost importance to remain calm and not get panicky or a stampede may result. This building has a seating capacity of 1602.

GYMNASIUM

Persons confined in this building must gather in the center. All exits must be cleared of all obstacles such as mats, horizontal bars, etc.

DINING ROOM

Students at tables near the windows should move to the center of the dining room. Keep quiet and cool and obey those in charge, without question.

KEEP THE FOLLOWING POINTS IN MIND

1. Students should remain in places of safety until the "All Clear" signal is given.

2. Never stay outside during an air raid. Go to the nearest shelter.

3. Keep away from windows. Fragments and glass splinters cause most casualties.

4. In case of an alarm a passageway must be kept through each corridor.

5. Above all, keep cool, be sensible, and set a good example for others. Don't believe wild rumours. Trust and cooperate with the air raid warden.

GRADING SYSTEM FOR THE STUDENT

Explanation of Grades

"A" indicates an excellent grade of work.

"B" indicates a good grade of work.

"C" indicates a satisfactory grade of work.

"D" indicates a low grade of passing work.

"F" indicates a failure and no credit shall be given for the course so marked until it has been repeated in the regular way.

"I" is given to students who because of illness or other entirely satisfactory reasons have been unable to complete the required work, but have been doing in general a satisfactory type of work. This mark must be removed within two months after the opening of the next semester that the student is in school or become a failure. Upon completing the required amount of work the student may receive any mark to which the teacher feels he is entitled.

Quality Points

A system of quality points has been established as follows:

A grade of "A" gives three quality points for each semester hour of credit so marked; a grade of "B" gives two quality points for each semester hour of credit so marked; a grade of "C" gives one quality point for each semester hour of credit so marked; and a grade of "D" gives no quality points.

Application of Quality Points

1. There are required for graduation or for permission to do student teaching a number of quality points equal to the number of semester hours' credit taken up to that time.

2. As many quality points as semester hours of credit also are required:

- a. For admission to a fraternity or sorority
- b. For holding an office in any school organization

3. In general a "C" average, that is, one quality point for each semester hour of credit, is the minimum requirement for being considered in good standing as a member of the student body. After the first year of attendance this shall mean an average of 16 semester hours and a minimum of 16 quality points for each semester of attendance.

ELIGIBILITY FOR STUDENT TEACHING

No student will be permitted to do student teaching until each of the following requirements is satisfied:

1. The number of quality points must equal or exceed the number of hours earned at Indiana. Students who have transferred from other colleges must have completed at least the equivalent of one semester at Indiana.
2. Candidates for the degree must have two semesters of work with a C-average and no failures in these semesters. One such semester shall be required for those who are seeking the State Standard Limited Certificate.
3. All required courses in English up to the teaching semester must be completed. The applicant must have a C-average in all these courses (not including Fundamentals of Speech) or he must have passed with a satisfactory rating a standard test in English form and usage, given by the college. Competency in English usage shall be demonstrated. Weakness in English skills, as shown by low grades and test scores, should be removed by repetition of courses, by regular attendance at the English Laboratory, or by both of these remedies. Each student is respon-

sible for maintaining and improving his English skills.

4. A C-average in all courses that are to be used for certification in any particular field will be required.

Student teaching in the summer session is restricted to those who have previous student teaching in this school or several years of actual teaching experience. Application must be made well in advance.

INFIRMARY HEALTH SERVICE

LIBRARY INFORMATION

Wilson Hall Library, the first building to the left as you enter the North Gate, has comfortable, well-lighted reading rooms in which the students are given an opportunity for serious study as well as recreational reading.

Mimeographed sheets of directions on the use of the library and its few rules are distributed to the students in the early part of the year. The general pattern followed in the planning of the building has been to place a selection of books from each class in the reading rooms and to keep the other less-used ones in the stacks on the ground floor. All parts of the building are open to students and faculty.

Materials owned by the Historical Society of Indiana County are housed in the library and the library is pleased to have townspeople not connected with the college use the resources of the library whenever such use does not interfere with regular class assignments.

The library is open from Monday through Friday from 7:45 a. m. to 5:00 p. m., from 7:00 p. m. to 9:00 p. m.; on Saturday from 7:45 a. m. to 5:00 p. m., and on Sunday (for reading and study only) from 2:30 p. m. to 5:00 p. m.

All new students are urged to become well acquainted with the library as soon as possible

so that they may carry on their courses with greater facility.

LOST AND FOUND

Students should report the loss of property in the dormitories immediately to the custodian of the building in which the articles were lost. Articles found should be handed to the Dean of Men and to the Dean of Women. A general lost and found department is maintained at the telephone office.

PLACEMENT SERVICE

The services of the Placement Bureau are available to all students of the College who receive certification. The directors of the various departments take an active interest in the placement of their graduates. Co-ordination of effort is secured through a central committee. The Bureau supplies credentials to employers who are seeking applicants for positions and serves as a center where graduates may keep their records up-to-date.

The Placement Bureau has offices in the Laboratory School.

J. M. Uhler is in charge of the Placement Service.

STUDENT EMPLOYMENT SERVICE

The Student Employment Service was organ-

ized in the Spring of 1940, the purpose being to help students find part time employment that will help in meeting their school expenses.

Efforts are made to find odd jobs about the town. All types of jobs are sought, especially those requiring unskilled labor, such as gardening, house-cleaning, janitor, furnaceman, etc. Other jobs include driving cars, washing cars, store jobs, stenographic, to the more skilled jobs of teaching the various musical instruments, show card writing, tutoring, butchering, etc.

Students who would like to obtain this help are asked to fill out an application blank in the Student Employment Office located on the second floor rear of the gymnasium. NYA application blanks may also be obtained in this office. This work is under the direction of the Director of Personnel.

COLLEGE POST OFFICE

The College Post Office is located on the first floor of John Sutton Hall. This is a branch of the City Post Office and is open each week day except Sunday. Mr. Paul Woodring is in charge of this service. Dormitory students please note regulations for Resident Women on Page 70.

THE PSYCHO-EDUCATIONAL BUREAU

The Psycho-Educational Bureau is located on

the ground floor of Wilson Hall. Students are invited to avail themselves of the opportunities provided for a study of their reading abilities, speech patterns, aptitudes, and personality-adjustment patterns. Opportunity is given for any student to come to the Bureau on his own initiative and to make appointment for conferences. It is the desire of the staff of the Psycho-Educational Bureau that its facilities be used by all individuals who wish to improve themselves in their preparation as teachers and as personalities.

The Bureau is in charge of Guy P. Davis.

RADIO BROADCASTING

Radio broadcasting constitutes an integral part of the instructional program of the College. Each semester, faculty members and students in various departments present several series of educational and entertainment broadcasts over Radio Station WHJB, Greensburg (620 on the radio dial). These broadcasts originate in the Little Theatre, located on the second floor of John Sutton Hall, and are transmitted directly to the broadcasting station over equipment owned and operated by the College. An elective course, Radio in Education, offered by the English Department but open to students throughout the College, provides necessary instruction in basic techniques. Educational broadcasts, planned especially for the public schools of Western Pennsylvania, are

put on the air regularly and are open to students, faculty, and the public. Entertainment broadcasts (See Radio Log) are presented at intervals throughout the year whenever a department has something of interest to the general radio audience. Students who are interested in engaging in these broadcasting activities should get in touch with Edna Lee Sprowls or C. C. Jones.

Please watch Bulletin for dates and time.

TELEPHONE OFFICE

This office is located on the first floor of John Sutton Hall. Addresses of the faculty members as well as the names and room numbers of the students may be obtained here. Telegrams are also received at this office for immediate delivery. Pay stations are located in John Sutton Hall. Dormitory students please note telephone service for Resident Women on page 70.

TENNIS COURTS

Tennis courts are open for play each week-day except Sunday. Students should consult with the Physical Education Department for permission and time schedule.

TRANSFER OF CREDITS

Credit will be given students transferring

from other accredited colleges in so far as these credits will fit into the curriculum chosen by the student in this college. No credit can be approved for any course in which the grade received was the lowest passing grade in the school in which the work was taken.

BUS SERVICE

Indiana is well served by several bus lines. Connections may be made in Indiana for points east, west, north and south. A few of the bus lines operating in and out of Indiana are the Blue Ridge Lines, Edwards Stages, Harmony Short Line, and the Horrell Short Line. STUDENT PARTICIPATION

The committee on Student Participation in College Management, organized in the school year of 1939-40, was composed of five faculty and five student members. During the college year 1940-41 the committee membership included twelve—five members from the faculty and seven students elected from the various departments and the Student Council. The purpose of the committee is to study existing conditions and to recommend methods for achieving, eventually, a maximum of student participation in college management. Certain parts of the committee's report have been put into practice. Student representatives have been elected from the various departments and the Student Council to the Athletic, Cultural Program, Assembly Program, and Participation Committees. These committees also have a faculty membership, but in all cases, there are more students than faculty representatives. Editors and Business Managers for this year's publications were nominated by a student-faculty committee and elected by the Student Council.

Last spring the complete report of the Participation Committee was presented before a college assembly.

The Student Council previously had approved certain parts of the report to be tried out. Consequently the Student Council for

this year has been enlarged with representatives elected from departments rather than classes. Following the election of these representatives, a college assembly was held in the form of a political campaign to present candidates for President of the student body, and for Vice-President. The officers were elected at an all-college election.

The Participation Committee will continue its study and recommend further changes in campus affairs.

LeRoy H. Schnell is chairman of the Committee.

STUDENT COUNCIL

1942-1943

The Constitution of the Student Council printed on pages 49 - 53 is still the official constitution of that body. However, the council for the school year 1942-43 is organized along entirely different lines than set up in the constitution. As pointed out above (see Student Participation) last year's council accepted certain phases of the Student Participation Committee report and decided to suspend the Constitution temporarily and to experiment with the following:

1. Representatives to the Student Council were selected as follows:

Art Department	2
Business Education Department	3

Elementary Education Department	3	
Home Economics Department	3	
Music Department	2	
Secondary Education Department	2	
Departmental Total		15
Class Presidents	4	
Presidents of		
Non-Resident Men's League		
Non-Resident Women's League		
Resident Men's League		
Resident Women's League	4	
President Total		8
TOTAL MEMBERSHIP		23

2. Senior Departmental representatives were eligible for the office of President of the student body, and the person so elected became President of the Student Council.

3. Junior and Sophomore Departmental representatives were eligible for office of Vice-President of the student body and Vice-President of the Student Council.

4. The offices of President and Vice-President were filled by campus-wide election. They are :

Paul Beckley, President Bus. Ed. Dept.

Robert Driesbach, V. Pres.....Bus. Ed.Dept.

5. The Student Cooperative Association, beginning the year 1941-42, is to be governed by a committee of six students appointed by the President of the Student Council and three

faculty members appointed by the President of the College, and will be called the Finance Committee.

The Student Council this year will consider changes in the following Constitution and in the Constitution of the Student Cooperative Association in the light of the above experimental changes.

Section 10

Section 13

These regulations shall apply in all intercollegiate contests.

ATHLETIC AWARD SYSTEM

The Varsity "I" is awarded in baseball, basketball, football, track, boxing, tennis, and wrestling for participation in at least one-half of the games and upon the recommendation of the coach.

Numerals are awarded to members of the squad who have been regular in attendance at practice and who have shown cooperation throughout the season.

Sweaters are awarded to each player after he has won his second "I" in the same sport.

Service awards such as gold footballs, basketballs, etc., are given to senior members of each varsity squad who have participated

for three years, during which time attendance at practice has been faithful and at least one letter has been earned by participation in one-half or more of the games.

Team Managers and Cheerleaders and the Indiana Indian win numerals their first year. The Varsity "I" their second year and a jacket their third year of service.

Note: No athlete can earn more than one sweater regardless of the number of sports he has been in and the letters he has won.

Awards are symbolical of work well done.

INTRAMURAL SPORTS

The varsity and intramural athletic programs, improved and organized as they are today, offer many advantages to all students desiring to participate in them. It is wise for every college student to take part in a branch of athletics suited to his physical ability and needs. Many students are physically unable to participate in the more strenuous competitive program, but every student can find some activity to suit his physical capacity in the Intramural Program. A careful study of one's physical condition and needs, supplemented by the advice of a leader in the field, puts one in a position to make a wise choice from the various activities offered in the Intramural program.

The chief aims of the Intramural sports program as developed at Indiana are—

1. Athletics for present enjoyment and improvement of health.
2. To teach and train students in athletic activities in which they can participate in after school life as a profitable use of leisure time.
3. To develop habits of good sportsmanship and fair play.
4. To acquire a knowledge of the rules and skills required and to prepare students to organize and promote Intramural sports in the public schools.

The following sports are included in the Intramural Program.

been hired for group instruction at no extra cost to the club members. Individual instruction can be had at a nominal cost. The annual Winter Sports Carnival will be held during the second weekend in February. This affair is open to club members only.

Beginning this year this club will function during both the Fall and Spring seasons as a hiking organization. Numerous hikes to the College Lodge will be taken.

SONGS

Alma Mater

To our noble Alma Mater's name
We, her children, sing a joyful lay,
And to her a new allegiance pledge,
That lives beyond a day.

REFRAIN

Sing, O, sing! Our Alma Mater's praise,
Hail, O, hail! her color's gleaming hue!
Give to her our homage and our love
And to her name be true.
A prayer for her who sheltered us,
A hope no child her name will stain,
A cheer thrice giv'n with hearty voice,
And now the sweet refrain.
Of loyalty are symbols twain,
Her colors, crimson and the gray,
"Dear Indiana Mother Fair,"
The burden of our lay.

Words and music by
Mrs. Hamlin E. Cogswell

Spirit of Indiana

On! On! On! On to victory,
Everyone expects to see you win today.
Fight to win! "Play the game square!"
Always for your Alma Mater do and dare
Now then go! Give them not a show,
You have skill and daring, that we know.
For not only will you score, but will add a
few points more.
Just to show them how we do at Indiana.

Indiana, don't you hear our cheer?
That you'll honor us we have no fear.
See your pennant floating o'er the field!
Unto foemen you will never yield.
You will hear us as we shout and sing,
Other teams will know their fate,
When they meet the "Red and Slate."
It's the way we always do at Indiana.

Victory! Victory! Victory!
Victory! Victory! Victory!
With your faces ever towards the foe.
Pressing forward down the field you go!
Victory! Victory! Victory!

Every man is finding every play,
For 'tis written on your shield,
"Unto foemen never yield."
We will always do our best for Indiana.

Words—Mrs. Hamlin E. Cogswell
Music Mr. Hamlin E. Cogswell

School Song

Come and join our song of triumph,
Bring to Indiana's fame
Laurels of each new endeavor
That will glorify her name.
Forward then for Indiana!
Make these hills and valleys ring,
Lift her crimson and her silver gray
Honor to your Alma Mater bring,
Come, ye sons and daughters of her heart
Each to his own valiant part,
Fight till you've won.
Then, the strife of battle done,
Sing, sing on for Indiana!

Pennsylvania

Pennsylvania, my native state,
To thee we pledge our devotion.
Pennsylvania, our loyalty is boundless as the
ocean.

REFRAIN

Pennsylvania, Pennsylvania, strong and true
Pennsylvania, Pennsylvania, hear our song to
you.

There is beauty in your mountains,
There is peace upon your hills,
And where e'er I roam
My only home is Pennsylvania.
Pennsylvania, we thrill with pride
To be your loyal descendants,
Pennsylvania, all hail to you,
The foundation of Independence.

God Bless America

While the storm clouds gather

Far across the sea,

Let us swear allegiance

To a land that's free ;

Let us all be grateful

For a land so fair,

As we raise our voices

In a solemn prayer.

God bless America.

Land that I love,

Stand beside her and guide her

Thru the night with a light from
above ;

From the mountains, to the prairies,

To the oceans white with foam,

God bless America

My home sweet home.

America

My coun - try, 'tis of thee,

Sweet land of lib - er - ty,

Of thee I sing.

Land where my fa - thers died !

Land of the Pil - grim's pride !

From ev - 'ry moun - tain side,

Let free - dom ring !

My na - tive coun - try, thee,

Land of the no - ble free,

Thy name I love.
I love thy rocks and rills,
Thy woods and tem - pled hills;
My heart with rap - ture thrills
Like that a - bove.

Let mu - sic swell the breeze,
And ring from all the trees
Sweet free - dom's song.
Let mor - tal tongues a - wake;
Let all that breathe par - take;
Let rocks their si - lence break,
—The sound pro - long.

Our fa - thers' God, to thee,
Au - thor of lib - er - ty,
To Thee we sing.
Long may our land be bright
With free - dom's ho - ly light;
Pro - tect us by Thy might,
Great God, our King!

The Star-Spangled Banner

Oh, . . . say! can you see,
by the dawn's ear - ly light,
What so proud - ly we hailed
at the twi - light's last gleam - ing?
Whose broad stripes and bright stars,
thro' the per - il - ous fight,
O'er the ram - parts we watched,
were so gal - lant - ly stream - ing?
And the rock - et's red glare,

the bombs burst - ing in air,
Gave proof thro' the night
that our flag was still there.
Oh, . . . say, does that Star-span - gled
Ban - ner yet wave
O'er the land of the free
and the home of the brave?

On the shore dim - ly seen
thro' the mists of the deep,
Where the foe's haugh - ty host
in dread si - lence re - pos - es,
What is that which the breeze,
o'er the tow - er - ing steep,
As it fit - ful - ly blows,
half con - ceals, half dis - clos - es:
Now it catch - es the gleam
of the morn - ing's first beam,
In full glo - ry re - flect - ed,
now shines on the stream;
'Tis the Star-span - gled Ban - ner;
oh, long may it wave
O'er the land of the free
and the home of the brave!

Oh, . . . thus be it ev - er
when free - men shall stand
Be - tween their loved home
and the war's des - o - la - tion.
Blest with vic - t'ry and peace,
may the heav'n-res - cued land
Praise the Pow'r that hath made

and pre-served us a na - tion!
Then . . . con - quer we must,
when our cause is just,
And . . . this be our mot - to:
"In God is our trust!"
And the Star-span - gled Ban - ner.
in triumph shall wave
O'er the land of the tree
and the home of the brave!

Battle Hymn of the Republic

Mine eyes have seen the glory
Of the coming of the Lord;
He is tramping out the vintage
Where the grapes of wrath are stored.
He has loosed the tateful lightning
Of His terrible swift sword; His truth is
marching on!
Glory, glory, hallelujah; Glory, glory, halle-
lujah, etc.

He has sounded forth the trumpet
That shall never sound retreat;
He is sifting out the hearts of men
Before His judgment seat.
Oh, be swift my soul to answer Him!

Be jubilant my feet; our God is marching on.
Glory, glory, hallelujah; Glory, glory, hallelujah, etc.

Our God is marching on.

White Cliffs of Dover

There'll be blue birds over, the white cliffs of
Dover

Tomorrow, just you wait and see.

There'll be love and laughter, and peace ever
after

Tomorrow, when the world is free.

The shepherd will feed his sheep,

The valley will bloom again,

And Jimmy will go to sleep in his own little
room again.

There'll be blue birds over the white cliffs of
Dover,

Tomorrow, just you wait and see.

Doxology

Praise God from whom all blessings flow;

Praise Him all creatures here below;

Praise Him above ye heavenly host;

Praise Father, Son, and Holy Ghost.

Pack All Your Troubles in Your Old Kit Bag

Pack up your troubles in your old kit bag,
And smile, smile, smile.

While there's a Lucifer to light your way,
Smile boys, that's the style.
What's the use of worryin'
It never was worth while.
So, pack up your troubles in your old kit bag,
And smile, smile, smile.

Harvest Moon

Shine on, shine on harvest moon up in the sky,
Cause I ain't had no lovin' since
January, February, June and July.
Snow time ain't no time to stay outdoors and
spoon,
So shine on, shine on harvest moon for me
and my gal.

Bells of St. Marv's

The Bells of St. Mary's, oh, hear they are
calling
The young loves, the true loves who come
from the sea
And so my beloved, when red leaves are fall-
ling,
The love bells shall ring out, ring out, for
you and me.

Home on the Range

Oh! give me a home where the buffalo roam,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

Chorus

Home, home on the range,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

My Wild Irish Rose

My wild Irish Rose,
The sweetest flower that grows,
You may search everywhere, but none can
compare
With my wild Irish Rose.
My wild Irish Rose,
The dearest flower that grows, and some day
for my sake, she may let me take
The bloom from my wild Irish Rose.

I Want a Girl

I want a girl, just like the girl
That married dear old dad,
She was a pearl and the only girl
That daddy ever had.
A good old-fashioned girl with heart so true
One who loves nobody else but you;
I want a girl, just like the girl
That married dear old dad.

The Old Spinning Wheel

There's an old spinning wheel in the parlor,
Spinning dreams of the long, long ago;

Spinning dreams of an old fashioned garden,
And a maid with her old fashioned beau;
Sometimes it seems that I can hear her in
the twilight,
At the organ softly singing "Old Black Joe"
There's an old spinning wheel in the parlor,
Spinning dreams of the long, long ago.

Let Me Call You Sweetheart

Let me call you "Sweetheart"
I'm in love with you,
Let me hear you whisper that you love me,
too.
Keep the love-light glowing,
In your eyes so true,
Let me call you "Sweetheart"
I'm in love with you.
